[YEMP-300]

We would like to talk to you about any work you have done in the time since your fourteenth birthday, that is since [youth's 14th birthday]. In answering these questions, please tell us about any paid employment you had, or any work you did for a family business (whether or not you were paid). While we discuss these jobs, I will be marking them on this calendar. Later I will give you this calendar to help you remember important dates over the last few years.

(INTERVIEWER: DRAW A VERTICAL LINE THROUGH THE WHOLE CALENDAR IN THE CURRENT MONTH. ALSO DRAW A VERTICAL LINE THROUGH THE CALENDAR IN THE MONTH OF 14th BIRTHDAY, [date]. LABEL THIS AS 14th BIRTHDAY.)

We are going to discuss two sorts of jobs with you. We'll call one type working as a freelancer or being self-employed: that is doing one or a few tasks for several people and not having a "boss" (for example, babysitting or mowing lawns) or working for yourself (for example, running a business).

We'll refer to the second type as working as an employee: that is you had an on-going relationship with a particular employer (for example, working in a supermarket or restaurant, or being in the military). FIRST we will be asking ONLY about jobs on which you were working as an employee. Later we will ask about jobs on which you were working as a freelancer.
